

ALEXANDER SCHULZ

Grown up close to the Spreewald in a small industrial town called Cottbus Alexander Schulz already discovered the passion to the electronic music at his early age. Artists like Carl Cox, Sven Väth, Richie Hawtin, Oliver Koletzki inspired him in the art of Deejayings , which pleased him a lot.

Started under the synonym "Alex Monoo" he collected the first experiences in local clubs and became quick to Resident of the Funtasy to clubs in Cottbus.

Today he is indisputable under the synonym "Alexander Schulz" one of the most popular Locals in Lusatia and knows to fetch it the Croud on the Floor.

No matter whether Opening, Primetime or after show, with his sense for the audience and the right Location he always proves that he lives his activity.

With his musical variety, own manuscript and the privilege, to release himself from the factual constraints it is difficult to define his style more exactly. Somewhere between Deephouse and Techno he feels homey.
